### **ABOUT ADAM**

I have been around square dancing my whole life. At the age of 3, I performed a singer at a camp-out weekend. Ever since then I have been studying and learning the art of Square Dance Calling.

In 2003, age 12, I started calling and teaching for my first club, who became The Montana Mavericks a year later. I am still the club caller.

I have called in several US states, Japan, Canada and Scotland, and have been a featured caller for many weekend and state festivals, square dance cruises and events.

I call and teach Basic through A2 Squares, cue Phase II-IV rounds, am a CALLERLAB member, and BMI/ASCAP licensed. In 2013, I joined Rhythm Records as a recording artist. They have an ALL-STAR staff of the top callers in the world.

My wife, Samantha, and I were married in 2015 and reside in Spokane, WA where I regularly call. We have four wonderful children; Avi, Adorabella, Erowynn, and Florian whom you'll see frequently out at dances.

I enjoy every one of the dances I call, the callers I work with, and the dancers I have the pleasure of meeting.
